Dear Member,

As we approach the end of the calendar year, I am please to report that we have made many strong gains for the board. Our status is now clarified and the legal burdens that faced are almost at an end. Finally we can see light at the end of the tunnel. This means that we can get down to the business of planning an exciting calendar of events for the upcoming year. Some of these include our general meeting in the first quarter as well as the Hong Kong conference amongst many other exciting projects, which will be forthcoming shortly.

The end of the year also means time for renewals. I would like to express my heartfelt appreciation for your support in the past year and hope we can count on you in the upcoming year. To this end, we are sending your membership renewal invoice for the year 2008.

In order to offset the envisioned expense, such as the conference as well as in keeping with our policy of informing insurance companies of current member, we would appreciate payment of your invoice by the end of February 2008.

In the unlikely event that you should choose not to renew your membership, please send us a letter of resignation, and please forward your certificate to this address:

3555 Don Mills Road, Suite 18-529
Toronto, Ontario
M2H 3N3

From all at the board and our families, we wish you and yours, a very prosperous and healthy New Year.

Sincerely,

Bruce Ally, PhD, LL.M, D.Hom, Dr. TCM, DNM
President
